Kent Community Foundation - President's Corner

October 2015

Just this month we have been able to present checks for two more of the grants awarded last spring. It is exciting to see the energy and enthusiasm of the students who participate in the programs that we support. Look for pictures in the coming weeks on our Facebook page. And while you are there, give the page a "like" and follow us!

We are excited about the transition of the ECHO scholarship to Kent Chamber of Commerce Scholarship. Thanks to the Chamber Education Committee members who helped us iron out the details of that transition and new scholarship agreement.

Our Board is looking to the future! We have our Budget Committee laying out some numbers for next year. Our Nominating Committee is working to present a slate of officers for 2016. We would love to have you join us! If you are interested in joining our Board or simply serving on a committee, or helping with a one-time project, please feel free to contact me. We want to get the word out that we are looking for someone to actively chair our Scholarship Committee. This person should be passionate about helping connect local students to scholarship opportunities and to help us grow our list of scholarships. Please reach out to me if you would like more information.

Warmly,

Dee Klem
President
